

An **APPLIED** Fluid Power® company

One Source for Superior Fluid Power and Automation Solutions

Carolina Fluid Components (CFC) is a service-oriented solution provider, specializing in fluid power and automation systems. We serve customers in the southeast with valuable innovations; utilizing the expertise of our personnel and the products of industry leading manufacturers

Your Valued Resource for:

**Superior Products • Technical Support • Applications Assistance
• System Design and Fabrication • Component Repairs**

Pneumatics

ACRO
BIMBA
MEAD
PNEUMADYNE
TRD

Pneumatic, Hydraulic and Electric Actuator Solutions; FRL's, Valves, Fittings and Custom Solutions (Pneumadyne, Mead, MFD, TRD, Acro)

Miniature Pneumatics: Electronic and Manual Valves, Cylinders, Fittings and Accessories

Colder Products Company
Quick Couplings & Fittings for Plastic Tubing

Quick Disconnect Couplings, Plastic Fittings and Tube Connectors

FABCO-AIR

Pneumatic Actuators
Valves and Accessories

FastTest
Your Productivity Connection

Leak and Pressure Testing
Connectors for Air, Gas and Liquids

Polyurethane, Polyethylene and Nylon Pneumatic Tubing

Humphrey

Complete line of Valves, Actuators and Accessories

Actuators, FRL's, Fittings and Valves
(Buschjost, FAS, Herion, Kip, Kloen, Thompson, Watson Smith and Webber)

Pneumatic Rodless Actuators, Belt and Ball-screw Electro-Linear Actuators and Linear Bearings

Vacuum Automation Components: Pumps, Suction Cups, Vacuum Logics and Filtration

THOMAS
by Gardner Denver

Oil-less Vacuum Pumps and Compressors

TRD

NFPA Pneumatic and Hydraulic Tie-Rod Cylinders (a Bimba Company)

Pneumatic and Automation
Components and Accessories

VACCON

Vacuum Pumps, Cups & End-of-Arm Tooling
(a Bimba Company)
Cups, End-of-Arm Tooling and Accessories
for Automation

**Acro, Camozzi, Destaco, Enfield, Koganei,
Mead / MFD, RTi**

Carolina Fluid Components, LLC has made **in-stock inventory** available to our customers **24 hours a day / 7 days a week**. If you have an immediate need for product during non-standard business hours (8 am – 5 pm), CFC has a new service designed just for you! To purchase product after hours, simply dial 800-753-5914, then extension 2856# (24/7 Emergency Service).

Hydraulics

Powering Business Worldwide

Vickers Pumps, Controls, Valves and Systems; Char-Lynn Motors; Internormen Filtration and Instrumentation; Hansen Quick Disconnect Couplings; Weatherhead Hose and Connectors

Complete Range of Cartridge Valves to 200 GPM, Aluminum and Ductile Iron Bodies. Custom Manifolds to 5000 PSI.

Hydraulic and Pneumatic Cylinders - up to 5000 psi, 1-1/2" to 24" Bore

Mobile Hydraulics, Electronic Controls and Integration

Piston Pumps for Challenging Applications

Wireless Control Systems in the area of Mobile Hydraulics, Logistics, Automotive, Industrial and Agricultural Technology

Bucher Hydraulics, High Country Tech, Farval, Micro-Precision/ Rotac, MTS, Sprague, UCI Mfg

Automation / Controls / Sensing / Safety / Framing

Aluminum Extrusion for Machine Building and Guarding

Pressure, Temperature and Flow Sensors and Transducers for Gasses and Liquids

ACRO
BIMBA
MEAD
PNEUMADYNE
TRD

Electric Actuators (Single and Multi-axis), Stepper and Servo Motors, Controls, including Intellisense (Pneumadyne, Mead, MFD, TRD, Acro)

Motion Controllers, Software, Peripherals and Color Sensors for Manufacturing Automation

Precision in Productivity™
Manual Clamps and Accessories, End Effector Tools and Robohand Grippers

Safety Light Curtains, Switches and Controllers; Limit Switches and Operator Pendants

Electric Linear Actuators, Servo Motors and Gearmotors with Integrated Controls

Wire Mesh Partitions and Guarding Solutions; Standard Panels, Doors, Posts and Mounting Hardware

Sensors, Bar Code Readers, Safety Light Curtains, Measuring Light Curtains, Laser Area Scanners and Safety Relays

Non-Contact Position / Velocity Linear Displacement Transducers and Controls

Industrial Electrical Connectivity Products; Power Supplies, Bus Distribution Systems, Multi-port Interconnection Systems and Industrial Cordsets

Belt and Ball-screw Electro-Linear Actuators and Linear Bearings

Low Profile Belt Conveyors

Macron Dynamics, Mencom, Nason, Werma
